Sligo Park honoured for service

THE Sligo Park Hotel was amongst a group of twelve **tourism** establishments honoured at the **Fáilte Ireland Optimus** Awards held in Dublin's Clontarf Castle Hotel.

The Sligo hotel received the 'Service Excellence Award' as special recognition for their ongoing commitment to continuous improvement and a first class customer experience.

Commenting at the Awards ceremony, Monica Chawke, **Optimus** Co-Ordinator, Sligo Park Hotel, said:

"The **Optimus** programme is excellent and a great training tool for staff who do not have previous industry experience. It puts structures in place which greatly assist the day to day running of the hotel."
